

**The Stewartstown Lions Club and the Mason Dixon Public Library
are hosting the 1st Annual community**

"CHRISTMAS TREE LIGHTING"

Saturday, December 4 at 6pm (rain date 5th)

**We will be decorating the 35' pine tree at the northwest corner
of the library parking lot. The cost of the lights are estimated to
be \$4-5,000 so if you would like to donate toward their purchase,
you may drop off your donation of cash or check (made out to the
Stewartstown Lions) at the library during hours they are open.**

**We are also planning music and refreshments. This is a FREE event
for the whole family!**
