

# Vineyard Road / Thompson Road Natural Gas Infrastructure Replacement Project

The Vineyard Road / Thompson Road Natural Gas Infrastructure Replacement Project is part of a comprehensive replacement plan to upgrade the gas pipelines in Hopewell and East Hopewell Townships.

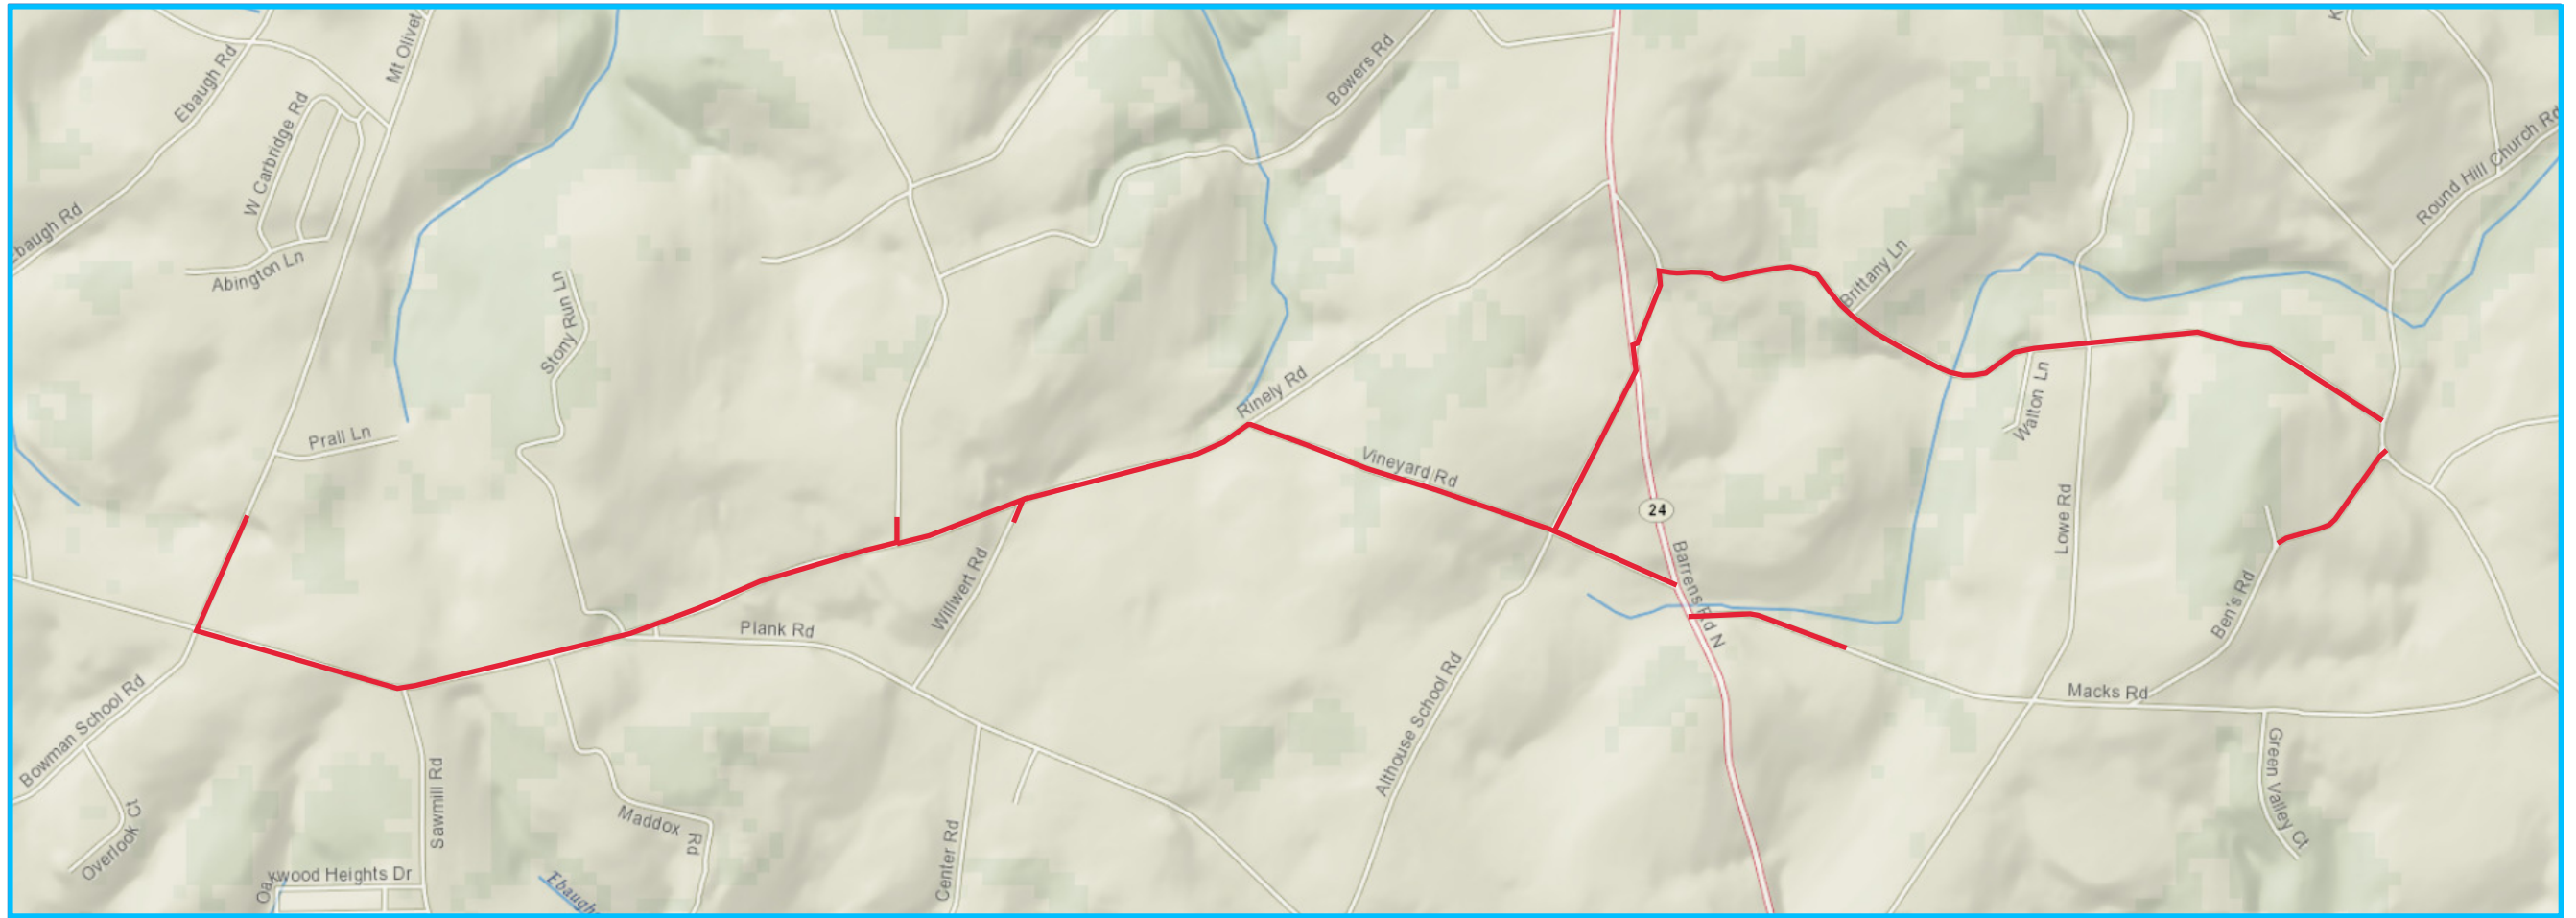

Project plans consists of:

- Approximately 25,000 linear feet of mainline pipe will be replaced
- Pipeline replacement work will take place on the following streets: **Mt. Olivet Road, Plank Road, Rinely Road, Vineyard Road, Althouse School Road, Thompson Road, Round Hill Church Road, Bens Road, Macks Road and Barrens Road (State Road 24).**
- Hours of operation will be 7:00 a.m. – 5:00 p.m. Monday through Friday. Holidays excluded.
- Lane closures and detours may be in effect during work hours.
- Project is tentatively proposed to begin in June 2024 and is estimated to take approximately twelve months to complete
  - *Project duration may be impacted by weather and/or unforeseen construction impediments in existing ground conditions*
- Customer properties will be restored to pre-project conditions following the completion of main and service line work. Road, sidewalk and other right-of-way restoration will be completed using reasonable local municipal standards or PennDOT’s standards of restoration.
- Work will be performed by Columbia Gas of Pennsylvania contractor Kinsley Construction.
- Please use extreme caution when traveling through our work zone. Please slow down and obey flaggers and all posted signs including detours and parking restrictions.

# Vineyard Road / Thompson Road Natural Gas Infrastructure Replacement Project

## Project Map

At Columbia Gas of Pennsylvania, we see our pipeline replacement program as an investment in the communities we serve. Required to enhance the safe and reliable system we currently operate, the upgrades Columbia Gas is doing now are part of our ongoing commitment to reliably deliver natural gas, safely and efficiently, for generations to come.
